Recommendation for hygienic coatings from Fakolith

The Fakolith hygienic-coatings (listed below) can contribute to the optimization of basic hygiene and food safety in the areas food, catering, professional kitchens and other food processing industries, if they are applied in accordance with rules, factual accurate and as intended.

- **FOODGRADE products:**
Fakolith FK 45, DISPERLITH FOODGRADE, DISPERSOL FOODGRADE
- **BioFilmStop products:**
DISPERLITH ELASTIC, DISPERLITH INDUSTRY, DISPERLITH HYGIENIC

Therefore allows the Federal Association of Food Inspectors Germany e. V. (BVLK) the company Fakolith Farben GmbH to use the seal of approval for their sales and advertising documents of the products listed above with the following addition:

"Recommended by the Federal Association of Food Inspectors Germany e. V."

for the period from 01.11.2018 to 31.10.2019. This recommendation can be used throughout Europe during the above mentioned period.

Yours sincerely,

Anja Tittes
(Federal Chairman)
